December 23rd  
Last day at school & Party Time!

David entertains at the piano.

We were fortunate to have engaged the services of two highly acclaimed chefs. The sausages were cooked to perfection!

The following businesses sponsor our Shed. We request that you support them in return.

4th December. Despite a forecast of rain, the morning remained fine and the Shed's garage sale went off without a hitch. The sale added \$2,283 to our coffers and Graham (the money) Bowker went home with a huge smile on his face. Thank you to Graham Aitken who led this project. He too left smiling.

Progress on the chook house. What a difference a couple of weeks makes. The chook house is being built for Marewa school.

Look what washed up on the Ahuriri beach.

William made a lovely job of restoring this chair.

Brian's antique pram restoration is nearing completion.

This makes our efforts all worthwhile. Happy children playing with the treasure found in the chest. I wonder where it came from?
