Party Time! Live music by David.

GET SET TO WIND DOWN OUR SHED FOR THE YEAR

Happy Christmas to all our members and their families. Thursday 23 December will be the close of play for the year. Bring a plate (with something on it), your drinks, wives, partners, girlfriends (or boyfriends) and join the party. The barbecue will be fired up and torturing the sausages.

The Shed manager, Brian Hatton and Jon (cat man) Fitz working on the same project.

Youth Development Fund.
Napier City Council allocate funding each year to the Youth Council of Napier to distribute to young Napierites.
Our youngest member, Ashley McKeen, was awarded a grant, "to further establish a successful business, building and repairing electric guitars". Well done Ashley.

The pirates chest and tools which will be moved to the Ahuriri Beach. This project was largely completed by (L to R) Ian Appleton, Ian Levet and Paddy Dobson. William Phelps, (not pictured), fitted the steel hardware.

David McKenzie turned and fitted two chair stretchers. Picture two shows him staining the new parts to match the original.

Deputy Shed Manager, Doug spends much of his time maintaining the equipment. We must try to go easier on the machinery, guys, as Doug has heaps of other projects that he would much rather be working on!

One of these projects that Doug is working on, is his beautifully engineered toy ride-on car. We thank Ulrich Aluminium for donating the aluminium products and Jon F for providing the wheels. The car will be raffled when completed.

Jim Hogg's solidly built workbench. The bench is now safely installed in his shed at home.

This walker belonged to Graeme Black. It is now available to any member who might need it to get around the Shed.

Paddy put a lot of work into restoring this chest. He was rewarded by having a very happy customer.

Mike (Bedz are Us) Smith. I've no idea how many beds Mike and his team have made. I lost count at about 100.

We have recruited many new members recently. Welcome to the workhouse. I have deliberately included the full names of those featured in the pictures to help our newer members put names to faces.

Ken Le Prou is buzzing! Good to see you wearing that mask Ken.

The following businesses sponsor our Shed. We request that you support them in return.
