**OUR Shed SNAP SHOTS**

Snapshots is resurrected! Thanks to Mike Richardson for the historic photos.  
(Mike, the cartoonist produced the banner above.)  
I have included names with the pics to help newer members identify some of the Shed's many 'personalities'.

An early group pic taken at Whitmore Park.

Between tea breaks Gavin, Bob, Eric and Graham.

Time out for Russ and Jim.

David, the Entertainer.

The Treasure Chest. Ian L was the leader in this project  
Ian A, Jim in background, Ian L and Paddy.

The ship builder, Noel. Noel was the Shed manager  
prior to Jon taking over at the last annual meeting.

Sadly, he died a little while ago.
