Proudly
NAPIER

January 2022

Our pirate's chest featured on the front page of the Napier City Council's most recent edition of Proudly Napier. All the feedback we have received about this project has been positive.

Brian has taken this opportunity to ask the Councilors (all of them) (again) to install signage to the Menzshed as is done in other towns, including Hastings. The reply from the mayor expressed appreciation for what the Menzshed does for our community and she has forwarded the request to the relevant department. We wait and see.

I'm sure Brian won't let it rest there if there is no movement in the Council's previous position regarding signage.

The boys are back after the Christmas break and work on the ~~lion cage~~ chook house has re-started.

Trestles made by the inmates at the H.B. prison. These trestles were given to us. Some will be for our own use with the rest going into our next garage sale.

A visitor. Is it a wolf? No it's a Fox!

Thank you to Russ and Roy for your pics. Without you, there would be no Snapshots this month.

The following businesses sponsor our Shed. We request that you support them in return.
